

# TAKE CONTROL OF YOUR DIABETES

Coming in June!

Cigna is offering an easier, more streamlined Diabetes Management Program available exclusively to Maricopa County employees, spouses and covered dependents who are enrolled in the Cigna Medical Network (HMO) plan.

By completing the Diabetes Management Program requirements you will:

- › Pay as little as \$0 for your prescription diabetes medications for up to an entire year.
- › No longer need to complete forms – your screening results will be automatically tracked through your Cigna Medical Group electronic health record.
- › Start to manage your diabetes and live a healthier life.

**Join us for an educational session in June to learn more about the Diabetes Management Program. More information will be available soon about the dates and times of the sessions.**

**Offered by: Cigna Health and Life Insurance Company, Connecticut General Life Insurance Company or their affiliates.**
