Re: Senate Bill 1598 Public Meeting in the works

Regulated Persons and SB 1598

As you may already know, SB 1598, Chapter 11 will impact regulatory aspects of food, non-food, water, and wastewater businesses. To address the legislation, stakeholder meetings are being planned by the Department for July 5-8, 2011. Please contact us for more information about meeting details. To foster a productive meeting and guide the discussion for the upcoming meetings, please submit your SB 1598 questions, comments, or concerns to the Department by June 29, 2011 to SB1598@mail.maricopa.gov.
