**Re:** A new face in Facebook

---

## ***Environmental Services department shows a new "face"***

The Maricopa County Environmental Services department now has a Facebook page!

Once on Facebook, you can search for "Maricopa County Environmental Services department" and after "Liking" our page, you will receive updates on general department-related topics and programs, such as food inspections, special events permitting and inspection processes, West Nile virus and other vector control issues, water and waste management, public and semi-public swimming pools, etc.

The address is

<http://www.facebook.com/MaricopaCountyEnvironmentalServices>

The new site includes general news releases and information. For additional information, visit the Website or call (602) 506-6611.
