Location:

Maricopa County Environmental Services Department
5th Floor Conference Room – Classroom
1001 N. Central Avenue, Phoenix, AZ 85004

The Maricopa County Environmental Services Department will host an initial Stakeholder Meeting to introduce, discuss, and obtain preliminary input regarding a proposed new code revision to the Maricopa County Environmental Health Code (MCEHC). The subject matter to be discussed at the Stakeholder Meeting includes:

Case #/Title: ES-2013-008/Manual Warewashing Sink Compartment Requirements

Overview: Revisions to MCEHC Chapter VIII

This proposed revision would eliminate the existing inconsistency between the MCEHC and the U.S. Food and Drug Administration (FDA) 2009 Food Code previously adopted by reference concerning manual warewashing sink compartment requirements at permitted food establishments. The MCEHC would be revised to remove the outdated allowance for a one compartment sink that was in place prior to adoption of the FDA 2009 Food Code. No fee changes are requested.
